NOVEMBER HIGHLIGHTS!

Cross Country Our students were invited to compete in a challenge by the LDCSB in cross country. We were to contribute as many kilometres as we could to a virtual 400km lap. Our school ran 110km! Way To Go Wild! A big shout-out goes to Leonard Hobbs and Julia Watts for the fastest times in the junior-category and Ty Vanzantvoort and Annika Beaton for the fastest times in the senior-category.

Disk Golf (Pittock Course & School)

The students, along with Mr. Vandecapelle, have been playing and learning a lot about disk golf. Not only have we been able to play at our school, but we were also able to attend Pittock Park for a day trip to play their 18 hole disk golf course. The students enjoyed their time and were able to conquer the many challenges of the course!

Please stay tuned to Classroom Dojo for further details.
