NOVEMBER SUCCESSES!

1st Official WCC Meeting

The first official WCC meeting took place on Nov 9th. We are excited about the many events they have planned and want to thank all of the parents who have and will support The Oxford School this year!

Grand Piano Donation

The Oxford School received a generous donation of a baby grand piano! The piano will stay in the Oxford Hall to be used during Tea and special events. It was given in honour and as a dedication to the "Sandra Hurley Tea" tradition that is held every Friday afternoon to celebrate the learning that has taken place that week. We are so grateful for this generous donation.

Consequently, we have an extra piano that we would like to offer to a family in exchange for a donation toward our music department. Please see Mr Friesen or Mrs Forgie to express your interest.

Parent Teacher Interviews

We hope you found the teacher interviews informative and that you are fully up to date on the progress of your children. It's great to see the support from the parents and the community. As the saying goes "It takes a village to raise a child".

Woodstock Santa Claus Parade

Our second Santa Claus parade was a huge success. Our students enjoyed the experience and we captured the Runner

Up award for School Spirit!

Congratulations and thank you for representing The Oxford School.

Potluck Lunch

The Potluck lunch was wonderful once again! The WCC hosted a feast for the students and staff right in our own kitchen and Oxford Hall. Thank you to all parents who prepared and served food for this event! A great time was had by all!

Volleyball Playoffs

Our teams competed in the playoff games this month. They played with grit and determination and demonstrated huge improvement since the beginning of the season! Congratulations and great job!

Kindness Bear Recipients

Kameron, Grade 4

He shared his lunch when someone forgot theirs and he went out of his way to help clean the classroom even though it wasn't his mess.

Dylan, Grade 4

Helping Kameron do his slideshow.

Kayden, Grade 5

When the class left a mess in the art room, he swept and cleaned for everyone.

Grace & Owen, Grade 8

Every Friday Grace & Owen are the last G8 students to leave, after helping put chairs and tables away they come to clean the kitchen and help wash, clean and put away dishes. Very rarely do they leave until everything is put away.

Maya, Grade 2

Maya was being mindful helping/watching out for another student making sure he didn't trap his fingers in the door and directed him back to class after break.

Miss Van Haeren

Thank you for fixing Lucas's shoe when it broke.

Finn, Grade 4

For helping another student get her toy down from a tree when it was stuck.

Ryerson, Grade 1

For sharing her Halloween sticker collection so we could use them in our planners.

Aidan, Ty & Ethan, Grade 7

They were very kind, patient and understanding of one another when solving their escape room task in Language.

Pierson, Grade 7

He helped Ethan by packing up his trombone when he was running late to deliver the milk.

Ben, Grade 7

When there were only two people to stack chairs, he helped.

Tianna, Grade 4

She consistently helped others this week, held doors, invited people to work in her group and recycled paper off the floor. She was always smiling and trying her best.

Aarwin & Richard, Grade 8

They always say thank you when the door is held open for them at recess, every single time.

Willem, Grade 3

Willem helped Benson clean up his lunch when it fell on the floor.

Spencer, JK

When Rayn and Oren wanted the same sticker, Spencer solved the problem by giving his sticker to them and choosing another.
