OCTOBER SUCCESSES!

October brought many wonderful successes for WTS!

WTS hit the ground running in October with the Cross Country Team competing in a school wide meet! Each member strived to set new personal bests and represented their houses. Housemates attended the meet to cheer on participants!

We are also excited to welcome new students to the WTS community! Libby Harman, Anderson Vollmershausen,

Nathan and Halle Townsend joined the student body. Please be sure to give our new friends a warm WTS welcome!

Thank you to those who volunteered to provide and serve treats for our first tea's of the year. Your contributions were greatly appreciated and enjoyed by all!

Grade 3's constructed popsicle stick bridges as part of their structures unit. The designs were presented at Friday's tea. Great job done by all!

JK and Grade 1 put science and social studies into action with a horse drawn wagon ride through the village! The classes observed leaves changing colours, pumpkins in all sizes, colours and shapes, small animals including a few squirrels and even a hawk!

Students had a farm-tastic time at Snyder's Farm! They learned about the life cycle of pumpkins, took a hayride and visited the petting zoo all in a beautiful farm setting.

LOVABLE LABELS

Lovable Labels are now available!

WTS has created our very own label pack, including 123 customizable labels! Labels are waterproof, microwave safe, dishwasher safe, peel & stick, UV resistant, laundry safe, and bleach safe.

Labels can be purchased through our fundraising link: wts.lovablelabels.ca By using this link to order items from Lovable Labels 20% of the purchase will support WTS.

TIME CHANGE TIPS

Here are some friendly tips to help ease your child into a new schedule when the clocks turn back on November 4.

- Slowly change bedtimes back in 15 minute increments a few days before the clock changes
- Screens can effect a child's melatonin

production and circadian rhythm, so try to avoid screen time right before bed

- To help prompt sleep, darken their bedroom completely. Blackout curtains are a great solution for this.

Hopefully these tips can make your child's/children's transition easier at home and at school!

*We need your help!
We are always looking for drivers and volunteers for field trips and athletics!
Please see the WTS Communication Centre to see how you can contribute to life at WTS!*
